

Teacher Tracker of Teacher Admin Panel (User Manual)

WARALS
EMPOWERING BUSINESSES WITH TECHNOLOGY

Click the “Teacher Tracker” Menu to access:

In the **Teacher Tracker**, under **All Topics**, teachers can select the **teacher, class, section, and subject** to access detailed information including **Topic Order, Topic Name, Subject, Class, Status, Covered By, Date Covered, and Action**. Similarly, in the **Topic Progress** section, teachers can select the **teacher, class, section, and subject** to view information such as **Topic Name, Status, Remark, and Action**, enabling them to track topic coverage and progress efficiently.

1) All Topics

Search bar is used to find topics.

Click here to add topic

The screenshot shows a web interface titled "All Topics". At the top is a dark blue header with the title. Below the header is a search bar with the placeholder text "Search topics..." and a magnifying glass icon. To the right of the search bar is a blue button labeled "ADD TOPIC". Below these are four filter dropdown menus labeled "Teacher", "Class", "Section", and "Subject". Below the filters is a table with the following headers: "TOPIC ORDER", "TOPIC NAME", "SUBJECT", "CLASS", "STATUS", "COVERED BY", "DATE COVERED", and "ACTION". The table body is empty, and a message "No Topics Found" is displayed in the center, with a sub-message "Please select filters to view topics" below it. Arrows point from yellow callout boxes to the search bar, the "ADD TOPIC" button, and each of the four filter dropdowns.

TOPIC ORDER	TOPIC NAME	SUBJECT	CLASS	STATUS	COVERED BY	DATE COVERED	ACTION
No Topics Found							
Please select filters to view topics							

Select teacher from the list.

Select class from the list.

Select section from the list.

Select subject from the list.

Teacher Tracker – All Topics

In **Teacher Tracker – All Topics**, teachers can select the teacher, class, section, and subject to access details like Topic Order, Topic Name, Subject, Class, Status, Covered By, Date Covered, and Action. The information described above is shown in the image below for easy reference.

2) Topic Progress

Search bar is used to find topics.

The screenshot shows a web form titled "Topic Progress". At the top is a search bar with the placeholder text "Search by topic name..." and a magnifying glass icon. Below the search bar are four dropdown menus: "Teacher" (with "Select Teacher" as the selected option), "Class" (with "Select Class" as the selected option), "Section" (with "Select Section" as the selected option), and "Subject" (with "Select Subject" as the selected option). Below these dropdowns is a table with four columns: "TOPIC NAME", "STATUS", "REMARK", and "ACTION". The table is currently empty, and a message "No topics available. Please select a subject first" is displayed below the table. At the bottom right of the form are two buttons: "Cancel" and "Save".

TOPIC NAME	STATUS	REMARK	ACTION
No topics available. Please select a subject first

Select class from the list.

Select section from the list.

Select subject from the list.

Teacher Tracker – Topic Progress

In **Teacher Tracker** – All Topics, teachers can select the teacher, class, section, and subject to access details like Topic Order, Topic Name, Subject, Class, Status, Covered By, Date Covered, and Action. The information described above is shown in the image below for easy reference.

The screenshot shows the 'Topic Progress' interface. At the top, there's a search bar labeled 'Search by topic name...'. Below it are four dropdown menus: 'Teacher' (ROSHNI), 'Class' (Nur), 'Section' (A1), and 'Subject' (Physics). The main table has four columns: 'TOPIC NAME', 'STATUS', 'REMARK', and 'ACTION'. The table lists five topics: Ohms Law Physics, Lens, Magnetism, Thermodynamics, and Electricity. Each topic has a status (Covered or Pending), a remark box, and two action buttons (PENDING and COVERED). Annotations with arrows point to specific elements: 'View covered topics here.' points to the 'COVERED' button for 'Lens'; 'Write remark in the box.' points to the remark box for 'Lens'; 'View pending tasks here.' points to the 'PENDING' button for 'Magnetism'; 'Discard changes and cancel.' points to the 'Cancel' button; and 'Save your changes.' points to the 'Save' button.

TOPIC NAME	STATUS	REMARK	ACTION
Ohms Law Physics	Covered	Needs to develop	PENDING COVERED
Lens	Covered	Needs to develop	PENDING COVERED
Magnetism	Pending	Okay	PENDING COVERED
Thermodynamics	Covered	Okay for now	PENDING COVERED
Electricity	Covered	Not Completed since it's a big topic	PENDING COVERED

Annotations:

- View covered topics here. (points to the 'COVERED' button for 'Lens')
- Write remark in the box. (points to the remark box for 'Lens')
- View pending tasks here. (points to the 'PENDING' button for 'Magnetism')
- Discard changes and cancel. (points to the 'Cancel' button)
- Save your changes. (points to the 'Save' button)
